

Pre-Enrolment Medical Examination for (NSMEN) Admitting in Academic Year 2026

After completion of your Online Matriculation, all matriculated SMU students (both local and international) are required to undergo a **COMPULSORY** medical examination with [The Clinic Group](#) in Singapore prior to the commencement of their studies at SMU. Please refer to the location list of The Clinic Locations & Imaging Centres [here](#).

You need to complete your medical examination period by **9 January 2026**. The medical examination is an important part of the matriculation process and can only be completed with The Clinic Group. No other sources of medical examination will be accepted.

The cost of SMU Pre-Enrolment Medical Examination will be borne by the students. Payment is to be made at the clinic.

Pre-Enrolment Medical Check-up For Singaporean or Permanent Resident Student	Price (excluding GST)
(i) for Local Students not required to complete Chest X-ray	S\$30.21
(ii) for Local Students required to complete Chest X-ray	S\$38.25

Important Notes

1. The Medical Examination covers several areas as such the following:

- Declaration of Past Medical History
- Urine Test (Protein & Glucose)
- Physical Examination (height & weight measurements, systems review)
- Eye Test (visual acuity & colour vision)
- Hearing, Pulse Rate & Blood Pressure Reading
- Chest X-Ray (filmeless)*

At the end of the examination, an **SMU Pre-enrolment Medical Examination report** will be issued directly to the SMU Office of Registrar (refer note 2 below).

*For students who are required to complete Chest X-ray. Please note that The Clinic will assign the medical imaging centre based on proximity to you.

2. As part of the **compulsory** attendance of pre-enrolment medical examination with The Clinic Group, you must give consent for The Clinic Group to release the medical results directly to the Singapore Management University.

Type of Report	Remarks
SMU Pre-Enrolment Medical Examination Report	• No physical collection of the SMU Medical Examination report is required. • Your medical examination results will be received by the SMU Office of Registrar directly from The Clinic.

3. Appointments for Pre-enrolment Medical Examination

- SMU students should make an appointment for their medical check-up via the following URL: <https://theclinicgroup.com.sg/university-appointments/>
- The Clinic reserves the right to turn away walk-ins depending on the existing queue and appointments at The Clinic.
- Students are expected to adhere to their appointment time. Being late for their appointment will result in longer waiting time at The Clinic.
- Calling The Clinic to reschedule appointments is not allowed. For rescheduling of appointments, please reply to the appointment confirmation email with a request to reschedule.
- If you are feeling unwell, you are strongly advised to reschedule your appointment until after you have been treated and have recovered. You may be asked to delay your medical examination if you are unwell during your appointment

4. Should you need any clarification on the medical examination, please contact the Matriculation Team @ matriculation@smu.edu.sg.

Frequently Asked Questions

Q1: Is the Pre-enrolment Medical Examination compulsory? How should I go about it?

A1: **Yes, it is compulsory** for all incoming SMU students. Please note that validity of the medical report is **6 months**. Please refer to [The Clinic Group website](#) for the list of clinics.

Documents required by the clinic:

Singapore Citizen/Singapore PR: **NRIC, NS Identity Card (11B) or Passport**

Q2: I have already undergone a pre-enrolment checkup with another medical provider. Will it be accepted by SMU?

No, please note that only medical reports from The Clinic Group will be accepted by SMU. If you have undergone a pre-enrolment checkup (less than 6 months) with another medical provider, you are required to bring your medical report to clinics under The Clinic Group to get endorsement by doctor.

For clarification, please email the matriculation team at matriculation@smu.edu.sg

Q3: I did my chest X-ray a few months ago (less than 6 months ago). Can I do the rest of the examination (except chest X-ray?)

A3: Yes, you can. Please bring your X-Ray result/film done (less than 6 months ago) to the clinic for endorsement. Please refer to this [link](#) for the costs.
