1. For Singapore Citizens: All eligible Singapore Citizens are automatically awarded a Tier A Tuition Grant, which is the highest level of tuition fee subsidy. You are eligible for Tuition Grant if you have not previously completed a course at an equal or higher level than the course you are applying for, for which you have received subsidies or sponsorship from the Government of Singapore.
2. For Singapore Permanent Residents: You may apply for a Tier B Tuition Grant, which will partially cover the costs of tertiary education. If you take up a Tier B Tuition Grant, you will be required to secure employment and serve in a Singapore entity for three years upon graduation. As a full fee paying student, you are not eligible for the Tuition Grant, scholarships and/or financial aid administered by the Singapore Ministry of Education (MOE) or the university that you have accepted at any time during the course of study. Full tuition fee-paying students do not need to serve the Tuition Grant obligation to work for a Singapore-based company for three years upon graduation from the university.

You may apply for a Tier C Tuition Grant. If you take up a Tier C Tuition Grant, you will be required to secure employment and serve in a Singapore entity for three years upon graduation.
