## Qualification

## Qualification

1. Select GCE A-Level, regardless of your citizenship, if you have taken the Singapore-Cambridge GCE A-Level examinations in Singapore (including private candidates). Please select the International and Other Qualifications category if you have taken the UK A-Level examinations offered by Cambridge, Edexcel or AQA.
2. Select Polytechnic Diploma, regardless of your citizenship, if you have an acceptable Diploma from Nanyang Polytechnic, Ngee Ann Polytechnic, Republic Polytechnic, Singapore Polytechnic or Temasek Polytechnic. If your final semester results are not known at the time of application, you must submit your application for admission by 19 March 2024.
3. Select International Baccalaureate (IB) Diploma, regardless of your citizenship. Graduating students taking the IB diploma examinations in May 2024 may apply by submitting their IB predicted scores, as attested by their schools. Self-declared predicted scores will not be accepted. The predicted scores must be submitted by 31 March 2024. Applicants are advised to apply for admission and submit the predicted scores early. To be considered for admissions, all applicants must apply to have their official IB results sent directly to SMU by the International Baccalaureate Organization (IBO). Please approach your school counsellor for more details on this. Please do so early to avoid delay in application processing.
4. Select NUS High School Diploma, regardless of your citizenship.
5. Select International and Other Qualifications, regardless of your citizenship, if you have pre-university qualifications that are not from the list above. Please select this category if you are applying with UK A-Level examinations offered by Cambridge, Edexcel or AQA. If your high school results are not known by the application closing date, you must submit your predicted high school scores for consideration. The predicted scores must be furnished by your school teacher/counsellor and submitted by 31 March 2024. Self-declared predicted scores will not be considered. You must submit your actual results immediately when available.
6. Select International and Other Qualifications if you are applying with a Diploma from LASALLE / NAFA / NIE.

## Programme & Scholarship Choice

### Choice of Programme

Please indicate your choices according to your preference. Consider your interests and aptitude very carefully when making your selection. Once you have submitted your application, it will not be possible to change your choice.

#### Law Programme

If you are interested in the law programme, please indicate law as your 1st choice. This will also apply to application for double degree. Interviews and writing tests for shortlisted law applicants will be conducted in end March to April. For more details on the law interview and writing test, please click this [link](#).

#### College of Integrative Studies

For interested applicants, SMU's [College of Integrative Studies \(CIS\)](#) is the first of its kind in Singapore which allows you to **declare your preferred degree programme only at the end of your first year in SMU**. In your first year, you do not need to choose your degree, and you are free to explore your intellectual interests from hundreds of courses across all programmes in SMU, which will help you develop critical, integrative thinking skills. At the end of your first year, you will then enter one of your reserved programmes in SMU directly as a 2nd year student.

**You can even design your own major in SMU**, which is a first in Singapore. If you are interested in designing your own major, you can select our [Bachelor of Integrative Studies programme](#), where you will be mentored by professors to create your very own individualized major.

#### How To Apply

Step 1: Select College of Integrative Studies (CIS) in any of the choices below.  
 Step 2: Select up to two degree programmes in which you would like to reserve a space as a CIS student, from the options below.  
 Step 3: For students interested in designing your own major, you can choose Bachelor of Integrative Studies as one of your choices, where you will be mentored by a professor to design your own major.

*Note: if you have selected 'Yes' to the 'Apply for Double Degree?' question below and are offered a double degree programme, your double degree will be based on the two degree programmes you have reserved spaces in.*

#### Double Degree Programme

Outstanding students will be considered for direct admission into the double degree programme. Successful applicants may enrol in a double degree programme consisting of any two disciplines (Primary Degree and Secondary Degree) in Accountancy, Business Management, Economics, Information Systems, Computer Science, Computing & Law, Software Engineering, Law and Social Science. The primary degree can be any one of the nine disciplines. The secondary degree can be any one, except Law. Law cannot be taken as a secondary degree. The offer of a place in the double degree programme will be based on your 1st choice and 2nd choice indicated in your online application form. If you are interested to be considered for a place in the double degree programme, please select 'Yes' in Apply for Double Degree question.

#### Additional Questions

SMU and Duke-NUS Medical School are pleased to offer the SMU Duke-NUS Medicine Pathway to outstanding applicants who are Singapore Citizens or Permanent Residents. Successful applicants will be offered conditional admission to Duke-NUS Doctor of Medicine (MD) programme, while allowing them to pursue an undergraduate programme at SMU. For more information on this conditional pathway, please click [here](#).

Only applicants who have indicated their interest for this pathway during their application to SMU and accepted SMU's admission offer will be considered for the pathway. Eligible applicants will be invited by Duke NUS to submit an application for the pathway separately. Shortlisted candidates will require to attend an interview with Duke NUS in July.

#### SMU Duke-NUS Medicine Pathway

\* Do you wish to be considered for the SMU Duke-NUS Medicine Pathway?

Yes  No

#### Financial Aid

SMU offers a comprehensive financial aid initiative consisting of loans, bursaries, grants and work-study opportunities to help financially needy students fund their education at SMU.

Please click [here](#) to view the various financial aid schemes. If you wish to apply for financial aid, please submit a detailed financial aid online application after submitting your online application for admission. Log on to Applicant's Self-Service portal to access the financial aid application form. The financial aid online application will open on 01 January 2024 and close on 31 May 2024.

Do you intend to apply for financial aid to support your studies in SMU?

Yes  No  Not sure at this point in time

#### Scholarship

Please click [here](#) to view the requirements for each scholarship. Only Singapore citizens are eligible to apply for the Global Impact Scholarship and SMU Merit Scholarship. Singapore citizens and non Singapore citizens are eligible to apply for the Lee Kong Chian Scholar's Programme.

Are you interested in applying for scholarship?  Yes  No

## Tuition Grant

### Tuition Grant

- For Singapore Citizens: All eligible Singapore Citizens are automatically awarded a Tier A Tuition Grant, which is the highest level of tuition fee subsidy. You are eligible for Tuition Grant if you have not previously completed a course at an equal or higher level than the course you are applying for, for which you have received subsidies or sponsorship from the Government of Singapore.
- For Singapore Permanent Residents: You may apply for a Tier B Tuition Grant, which will partially cover the costs of tertiary education. If you take up a Tier B Tuition Grant, you will be required to secure employment and serve in a Singapore entity for three years upon graduation. If you do not wish to take up the Tier B Tuition Grant, you will be billed the full fees/unsubsidised fees. As a full fee paying student, you are not eligible for the Tuition Grant, scholarships and/or financial aid administered by the Singapore Ministry of Education (MOE) or the university that you have accepted at any time during the course of study. Full tuition fee-paying students do not need to serve the Tuition Grant obligation to work for a Singapore-based company for three years upon graduation from the university.
- For International Students: There is a limited number of Tuition Grants available for International Students, and these are awarded on a competitive basis based on merit. You may apply for a Tier C Tuition Grant. If you take up a Tier C Tuition Grant, you will be required to secure employment and serve in a Singapore entity for three years upon graduation. If you do not wish to take up the Tier C Tuition Grant, you will be billed the full fees/unsubsidised fees. As a full fee paying student, you are not eligible for the Tuition Grant, scholarships and/or financial aid administered by the Singapore Ministry of Education (MOE) or the university that you have accepted at any time during the course of study. Full tuition fee-paying students do not need to serve the Tuition Grant obligation to work for a Singapore-based company for three years upon graduation from the university.
- You are eligible for a Tuition Grant if you have not previously completed a course at an equal or higher level than the course you are applying for, for which you have previously received a subsidy or sponsorship from the Government of Singapore. Polytechnic graduates in Singapore who were on the Tuition Grant previously are eligible to apply for the Tuition Grant if they have not received sponsorship/scholarship from the Government of Singapore to attain another qualification at an equal or higher level. You may find more details [here](#).
- For further details on fees for all nationalities, please click [here](#).

I declare that the information provided by me in this declaration form is true and accurate, and I have not deliberately or willfully omitted to provide any information that would render me ineligible to receive Tuition Grant. I understand that false declaration is a criminal offence that may be punishable with a jail term and/or fine. Should I be found to have provided a false declaration, I will not be eligible to receive the Tuition Grant for my course of study or any future course of study.

Please select the option that applies to you

- I **have not received** any Tuition Grant or other sponsorship/subsidy from the Singapore Government previously for an undergraduate degree/higher level course of study.
- I wish to receive a Tuition Grant and pay subsidised tuition fees for my new course.
  - I agree to pay non-subsidised fees if I subsequently become ineligible for the Tuition Grant during the period of my new course.
- I **have received** a Tuition Grant or other sponsorship/subsidy from the Singapore Government for a previous undergraduate degree/higher level course of study, but I **did not graduate / have not graduated** from the course.
- I am aware that the Tuition Grant or other Government sponsorship/subsidy that I have previously received will be taken into consideration in assessing my Tuition Grant eligibility for my new course.
  - I agree to pay non-subsidised fees for my new course if I am assessed to be ineligible for Tuition Grant.
  - As a student paying non-subsidised fees, I will not be eligible for scholarships and/or financial aid administered by the Singapore Ministry of Education (MOE) or SMU at any time during the course of study at SMU.
- I **have received** a Tuition Grant or other sponsorship/subsidy from the Singapore Government for a previous undergraduate degree/higher level course of study, and I **have graduated** from the course.
- I am aware that I am ineligible for Tuition Grant for my new course.
  - I agree to pay non-subsidised fees for my new course.
  - As a student paying non-subsidised fees, I will not be eligible for scholarships and/or financial aid administered by the Singapore Ministry of Education (MOE) or SMU at any time during the course of study at SMU.
