The SMU Jump was introduced when SMU was established in 2000 as a way of differentiating ourselves. It symbolises the high energy and different perspectives that our students are capable of bringing to any situation or issue, and making a difference. It has evolved into a highly recognisable and endearing icon; and is very much an integral part of the SMU spirit that transcends and binds all students past and present and the larger SMU community together.

Information is correct at print in October 2015.
At the core of our curriculum is an unrelenting pursuit of excellence that prepares you to be future-ready, outspoken and articulate — qualities that are highly sought-after by employers. This is the forward-thinking education we deliver for the movers and shakers of tomorrow. This is the ‘SMU Difference’.

Professor Arnoud De Meyer
President
Singapore Management University
“At the core of our curriculum is an unrelenting pursuit of excellence that prepares you to be future-ready, outspoken and articulate – qualities that are highly sought-after by employers. This is the forward-thinking education we deliver for the movers and shakers of tomorrow. This is the ‘SMU Difference’.”

Singapore Management University
Our highly qualified and motivated faculty comprises some of the leading academics in their respective fields. They are deeply committed to giving you the best learning experience and guiding you to think critically and learn effectively.

Besides teaching, our professors also act as mentors to our students. This includes out-of-classroom activities such as participating in business case challenges and moot competitions, both at the local and mostly at the international level. Our student groups have achieved success in many of these key competitions, such as the following:

- World champions in Chartered Institute of Management Accountants (CIMA) Global Business Challenge 2015
- Champions in Thammasat Undergraduate Business Challenge 2015
- Champions in Audi and Robert Walters Global Business Case 2015
- Champions in International Criminal Court Moot Court Competition 2015
- Champions at Willem C. Vis (East) Commercial Arbitration (or Vis East) Moot 2015
- First runner-up at Willem C. Vis Commercial Arbitration (or Vis) Moot 2015
- First runner-up at Frankfurt Investment Arbitration Moot 2015
- Champions in National Tax Competition 2015
- Champions in Deloitte’s Risk Intelligence Challenge Trophy (RICT) 2014 (Global finals)
- Champions in LAWASIA International Moot Competition 2014
- Champions in Attorney General’s Cup moot competition 2014
- First runner-up at the Philip C. Jessup Moot 2013 and 2014 (World finals)
- 3rd in International Noba Student Video competition 2014
- Champions in Public Policy Challenge organised by Public Service Division 2013

Our holistic educational approach is designed with an international focus to equip you with a total skill set comprising hard knowledge skills, soft people skills and ‘heart’ skills. You will be equipped with both depth and breadth of knowledge. You will be transformed into a well-rounded individual, and become a valuable asset to your future employer and society at large.

Besides teaching, our professors also act as mentors to our students. This includes out-of-classroom activities such as participating in business case challenges and most competitions, both at the local and mostly at the international level. Our student groups have achieved success in many of these key competitions, such as the following:

- 1st in Asia and 8th worldwide in Archival Accounting Research (All Topics)
- 7th worldwide in Financial Archival Accounting Research (Brigham Young University Accounting Research Rankings, February 2015)
- 52nd worldwide and 4th in Asia for research contributions from 2009–2013 (University of Texas at Dallas Top 100 Business School Research Rankings)
- 1st in Asia and 57th worldwide
- 4th in Econometrics (Tilburg University Top 100 Worldwide Economic Schools Research Ranking, 2009–2012)

SMU pioneered a unique interactive learning set in purpose-built seminar rooms. This provides a perfect environment for you to share your ideas, engage in debates and learn from your peers and professors. Such stimulating, thought-provoking discussions will hone your critical thinking and communication skills.

FACULTY’S CUTTING-EDGE RESEARCH PLACES SMU ON THE MAP

School of Accountancy
- 1st in Asia and 8th worldwide in Archival Accounting Research (All Topics)
- 7th worldwide in Financial Archival Accounting Research (Brigham Young University Accounting Research Rankings, February 2015)

Lee Kong Chian School of Business
- 52nd worldwide and 4th in Asia for research contributions from 2009–2013 (University of Texas at Dallas Top 100 Business School Research Rankings)

School of Economics
- 1st in Asia and 57th worldwide
- 4th in Econometrics (Tilburg University Top 100 Worldwide Economic Schools Research Ranking, 2009–2012)
BACHELOR OF ACCOUNTANCY
It's about professional excellence
The School of Accountancy is amongst the youngest schools worldwide to be conferred the AACSB accreditation. The Bachelor of Accountancy is also accredited by the Institute of Certified Public Accountants of Singapore (ICPAS), the Accounting and Corporate Regulatory Authority (ACRA), CPA Australia, the Institute of Chartered Accountants in Australia (ICAA), and the Chartered Institute of Management Accountants (CIMA). In Singapore, the Committee to Develop the Accountancy Sector (CDAS) has recommended that graduates from accredited accounting degrees, such as ours, undertake a new "Qualification Programme" to qualify as a CPA or Chartered Accountant. This will increase the value of the professional designation and provide additional mobility for professional accountants. In addition, there will be opportunities for mutual recognition between various professional bodies that will further boost our accountants’ international mobility.

SMU comprises six distinguished schools, each headed by a highly esteemed Dean. It offers six undergraduate programmes, each with its own distinctive qualities and attributes. Embark on a transformative journey and discover the difference an SMU education can make in your life.

BACHELOR OF BUSINESS MANAGEMENT
It's about leadership in the world of business
The Bachelor of Business Management programme aims at developing well-rounded students who are schooled in a diverse range of subject areas, while anchoring their knowledge base in business-related areas in the form of Business Core courses, Business Majors and Business Options. The Lee Kong Chian School of Business is one of the youngest schools worldwide to be conferred the prestigious AACSB and EQUIS accreditations. A distinctive feature of the programme is the highly competitive Lee Kong Chian Scholars’ Programme which allows scholars to enrol in a double degree programme, with Business as one of the two degree programmes.

BACHELOR OF SOCIAL SCIENCE
It’s about unrivalled versatility
The Bachelor of Social Science programme delivers a broad-based undergraduate education centred on the three disciplines of Political Science, Psychology and Sociology. A Social Science Capstone Seminar serves to synthesise the interdisciplinary analytical framework through important practical applications. This gives students a multidisciplinary and integrated approach to the study of the phenomena in the social sciences and develops the tools and knowledge that are applicable to careers and leadership positions related to public policy, human resources, management and consulting in government and business organisations, both locally and internationally.

BACHELOR OF SCIENCE
ECONOMICS
It’s about understanding and shaping the world
The Bachelor of Science (Economics) programme is designed to provide a strong understanding of modern economic theory, inculte independent thought about economic policies and problems, and develop the capacity for quantitative research and knowledge about the local and global economy. The School of Economics is one of Asia’s leading research schools with a faculty recognised internationally for their contributions to economic research. The school is ranked 57th worldwide based on the number of articles published in leading economics journals from 2009 to 2012 (The Tilburg University Top 100 Worldwide Economics Schools Research Ranking).

BACHELOR OF LAWS
It’s about raising the bar
The Bachelor of Laws curriculum comprises a careful mix of university core courses, Law Core courses, Law-related courses, Law Electives and General Education courses to ensure that graduates possess the desired contextual and cross-border knowledge and expertise. Students put in a substantial amount of pre-class preparatory reading and thinking and participate actively in class discussions and group presentations. The interactive learning environment helps students to become articulate, confident and analytically agile so that they can excel in the legal and corporate world.

BACHELOR OF SCIENCE (INFORMATION SYSTEMS)
It’s about integrating IT and business
The Bachelor of Science (Information Systems) aims to produce graduates with a solid capability to conceptualise, design, create and implement information systems solutions in the context of business and organisational settings. Students are well-grounded in the business and project fundamentals required for IT application projects, and related organisational transformation efforts. Outstanding students may apply to be considered for the fast-track master’s programme under the National Infocomm Scholarship scheme. Scholars on this scheme may graduate in 4½ years with an SMU Bachelor of Science (Information Systems) degree and a Master’s degree in IT from the world-renowned Carnegie Mellon University, USA.

UNDERGRADUATE PROGRAMMES
SMU comprises six distinguished schools, each headed by a highly esteemed Dean. It offers six undergraduate programmes, each with its own distinctive qualities and attributes. Embark on a transformative journey and discover the difference an SMU education can make in your life.
SMU recognises the importance of helping our students appreciate the Asian and global context, and for them to adjust quickly to changing landscapes. To accomplish this, we have embarked on a significant revamp of our curriculum. Fully implemented in 2015, students can look forward to a new curriculum that offers more breadth and variety so as to prepare them to be market-ready. Under this new curriculum, we have grouped our modules into the following eight clusters which represent the broad bodies of knowledge we want our students to have. The breadth of knowledge and skills that you gain from these courses will prepare you well as you go deeper into your course specialisations.

CURRICULUM

The curriculum is subject to change from time to time. For full details, please visit the websites of the respective SMU schools.

07 Singapore Management University
GLOBAL CITY UNIVERSITY
Life at the heart of the financial, cultural and historical districts is never dull. With the city at your doorstep, you are surrounded by opportunities to interact, learn and grow outside of the seminar room. Wi-Fi coverage, high-tech learning tools and purpose-built seminar rooms enhance the learning experience and stimulate class interaction. A two-year development project is underway to enhance the SMU city campus. To be completed in 2017, it promises to inject energy and vibrancy with key features that will include new seminar rooms/group study rooms, a centralised co-curricular activity space, an expanded 3-storey fitness centre and a new 240-seater Amphitheatre that will be a focal point of student and community-engagement activities.

COMMUNITY SERVICE
The first university in Singapore to introduce compulsory community service for all students, SMU hopes to develop them into more socially responsible citizens. Through active involvement in community engagement projects, our students not only develop the passion to serve the community while in SMU, but continue to do so long after they have graduated.

SMU-X - CHANGING THE WAY YOU LEARN
Experience innovative learning with our new SMU-X courses. SMU-X is experiential, collaborative, interdisciplinary and produces solutions to real-world issues. It is a new way for you to learn, through bridging theory with practice. Supported by spanking new facilities at SMU Labs, you will work with companies and civil societies on projects, receive mentoring and apply your learning whilst earning academic credit. Get ready to maximise your learning potential and be better prepared for your future workplace!

VIBRANT STUDENT LIFE
The great experiences that you have at SMU are what you will remember long after you graduate – these are made up of the times you spend with friends and teammates exploring shared interests. Choose from over 120 co-curricular activities (CCAs) covering sports, performing and visual arts, community service, entrepreneurial and international interest groups. If you can’t find what you like, there’s always the option of starting your own CCA.

CCAs give you invaluable opportunities to hone team, leadership and time management skills while pursuing your passion and networking with students from all backgrounds. All CCA groups are managed by students and overseen by Constituent Bodies.

Live independently. Gain cultural awareness. Expand your social network to span the globe. Make new friends who may become your future business collaborators in an increasingly interconnected world. Learn in a classroom on a different continent. Experience working in the real world, around the world. Lend a hand to those in need. There are so many new experiences awaiting you with SMU’s global exposure programmes.

THE WORLD IS YOUR CAMPUS

INTERNATIONAL STUDENT EXCHANGE PROGRAMME
Gain a global perspective
SMU’s robust international exchange programme with more than 200 overseas universities gives you the opportunity to experience living on your own in a different country. The networks you build and experiences you encounter will give you a more global and culturally sensitive perspective.

SHORT-TERM GLOBAL EXPOSURE PROGRAMME
Immerse in overseas experience
The Short-Term Global Exposure Programme offers you the chance to experience overseas immersion during your summer term break, without having to take time off from your current undergraduate study. This programme is currently offered at University of British Columbia, University of St. Gallen, Humboldt University of Berlin and Hong Kong University of Science & Technology.

SINO-SINGAPORE EXCHANGE PROGRAMME
Foster stronger bilateral ties
The Sino-Singapore exchange programme is a joint-venture between the education ministries of Singapore and China that gives Singaporean and Chinese students a unique chance to learn, collaborate and bind.

OVERSEAS STUDY MISSIONS
Gain insights from industry leaders
Overseas study missions bring you right into the heart of multinational organisations around the world, giving you current insights on how they function through site visits. You will also go on a networking journey with prominent industry leaders, opening doors to a world of opportunities, including internships and full-time employment.

OVERSEAS INTERNSHIPS
Step into the global marketplace
Experience for yourself how industries and businesses operate, broaden your perspective and apply your skills and knowledge to real-world business operations. The multi-national connections you make during your internship also have the potential to translate into full-time employment.

COMMUNITY SERVICE PROJECTS
Cultivate empathy and the human touch
Students have travelled to 18 countries to help the less privileged in a variety of humanitarian causes. Community service will expose you to valuable social, political and economic insights, and shape you to become more socially responsible.

“Project Namaste is an ongoing community project in which teams of SMU students head to Nepal every December to serve the community. Through the various community service efforts, we hope to raise the literacy standards of the Nepalis and improve their future opportunities in life.”

Janet Lai, Project Namaste VI

INTERNATIONAL STUDENTS

International students play an important role in contributing to the multicultural character of SMU. Prior to their arrival into Singapore, they get assistance on student pass application procedures and accommodation arrangements. International students can look forward to an orientation programme to help them adjust to campus life at SMU. Organised by the international student experience team of the Office of Global Learning (OGL), these include the Buddy Programme, which pairs you up with a senior to help guide you in the first few weeks of the academic term, and a series of regular social and recreational programmes to help you integrate with the university community.

LIVING IN SINGAPORE

There are several accommodation options available to international students, depending on your personal preferences and finances. Do ensure that you have sufficient resources to cover living expenses, tuition fees and study-related items for the entire course duration.

SMU RESIDENCES @ PRINSEPI

Within walking distance of the university, the SMU Residences @ Prinsep offers SMU freshmen a unique opportunity to experience prime urban living. Each apartment is fully furnished and accommodates up to 6 resident students.

ACCOMMODATION FOR SENIOR STUDENTS

SMU works with private operators to lease apartments to senior students. These apartments are conveniently located nearby major public transport routes and amenities.

PRIVATE AND PUBLIC HOUSING

Private condominiums around SMU come complete with facilities such as swimming pools and gymnasiaums, offering a more luxurious stay. Public housing in the Singaporean heartlands comprises high-rise apartments nearby amenities such as markets, shopping malls, medical clinics and more.

HOME AWAY FROM HOME

“Students and professors helped to ensure that I adjusted well to SMU and Singapore.”

Dyka Rao Verghese
International student

“DATO’ KHO HUI MENG CAREER CENTRE

Our dedicated career centre has a proven track record of helping SMU students kick start successful careers. You will benefit from on-one-one career counselling, on-site recruitment fairs and the SMU onTRAC II database, which matches students to a wide network of employers who are looking to recruit dynamic, motivated and talented graduates.

FINISHING TOUCH PROGRAMME

This compulsory course focuses on the essential career skills that will give you an edge in the job market: resume writing, personal branding and networking, interviewing skills, social etiquette and grooming, job search strategies and research.

INTERNSHIPS

A minimum 10-week internship is compulsory for all SMU students. Internships allow you to put into practice what you have learnt in the classroom, develop your confidence and self-reliance, and acquire hands-on knowledge and skills in the workplace. These help you make informed choices about your future career and give you a competitive edge to secure jobs before graduation.

SMU Undergraduate Prospectus 2016/2017

92% GRADUATE EMPLOYMENT RATE*
86% SECURED JOBS BEFORE GRADUATION AND WITHIN FIRST 2 MONTHS AFTER GRADUATION*
50% RECEIVED BETWEEN 2–6 JOB OFFERS*

*Source: Graduate Employment Survey 2014

STRONG EMPLOYMENT OUTCOMES

Our graduates embody a balanced combination of both the hard knowledge skills and soft people skills that are highly valued by employers. As a result, they are highly employable across a wide variety of industries and businesses. Our track record in the Graduate Employment Survey remains strong with over 90% of SMU students securing jobs within 6 months of graduation*. A significant number receive two or more job offers.

These help you make informed choices about your future career and give you a competitive edge to secure jobs before graduation.

STRONG EMPLOYMENT OUTCOMES

Our graduates embody a balanced combination of both the hard knowledge skills and soft people skills that are highly valued by employers. As a result, they are highly employable across a wide variety of industries and businesses. Our track record in the Graduate Employment Survey remains strong with over 90% of SMU students securing jobs within 6 months of graduation*. A significant number receive two or more job offers.

GET A CAREER HEAD START

86% SECURED JOBS BEFORE GRADUATION AND WITHIN FIRST 2 MONTHS AFTER GRADUATION*

50% RECEIVED BETWEEN 2–6 JOB OFFERS*

AFFORDABLE TUITION FEES

Tuition fees at SMU are highly subsidised by the Singapore Government. This substantial subsidy comes in the form of a tuition grant administered by the Singapore Ministry of Education.

The tuition fees tables refer to the fees for Academic Year 2015-16. The tuition fees for Academic Year 2016-17 will be announced in the early part of 2016. Please visit www.admissions.smu.edu.sg for regular updates.

Term 3 or Special Term falls during the university vacation period. This term consists of two sub-terms (Term 3A and Term 3B), each lasting 5 weeks. A limited number of courses are offered. Males serving Singapore National Service who have places reserved in SMU may opt to start school early by enrolling in Term 3 courses.

Fixed fee model
SMU adopts the fixed fee model which guarantees that tuition fees remain unchanged throughout the normal duration of study at SMU (four years). However, tuition fees for every incoming freshman cohort are subject to change from year to year.

Tuition grant
Singapore Permanent Residents and International Students paying subsidised fees must take up the tuition grant and sign a Tuition Grant Deed, which will require them to work in Singapore-registered companies for three years upon graduation from SMU. Students who are not eligible for or choose not to take the tuition grant pay the non-subsidised fees. Students paying non-subsidised fees will not be bound by the 3-year work obligation.

PRESTIGIOUS SCHOLARSHIPS

“The Lee Kong Chian Scholars’ programme gives me the opportunity for global exposure, such as overseas community service and networking sessions. I am grateful that through these programmes, I have forged deep and lasting friendships with people I met.”

Chua Li Min
Scholar

SMU SCHOLARS’ PROGRAMME

The SMU Scholars’ Programme (SMUSP) offers scholars the flexibility of a single degree or double degree. It looks for outstanding students with proven leadership capabilities. Each scholarship provides a generous package that includes a living allowance and a one-time grant for an overseas study mission.

LEE KONG CHIAN SCHOLARS’ PROGRAMME

Made possible by a generous gift from the Lee Foundation, the Lee Kong Chian Scholars’ Programme (LKCSP) offers scholars opportunities for holistic, intellectual and entrepreneurial development. Scholars have the opportunity to enrol in a double degree for versatility and be sponsored for an international exchange programme, an overseas study mission and an international community service project.

CENTRE FOR SCHOLARS’ DEVELOPMENT

The Centre for Scholars’ Development is committed to guiding scholars to go beyond learning. It aims to mould scholars into well-rounded individuals with leadership qualities, confidence, cultural competence and composition to make significant contributions to our society. It oversees a wide range of development programmes such as CEO talks and dinners, global business competitions, and special seminars and conferences.

**COMPREHENSIVE FINANCIAL AID**

No deserving undergraduate student will be denied an SMU education because of financial difficulty. All students who meet the eligibility requirements will be provided financial aid to help fund their studies at SMU.

The more popular financial aid schemes are listed here. Other schemes include notebook loans, bursaries, study abroad loans, grants, subsidies and book allowances. An online Student Financial Needs Calculator (visit admissions.smu.edu.sg) is available to help you determine your eligibility status, and to find out the type and quantum of financial aid that you may qualify for.

The Online Access to Student Information System (also known as OASIS) is an Internet portal that provides a one-stop and seamless access to information and e-services for SMU students. Freshmen must first matriculate before they can access OASIS.

ADMISIONS REQUIREMENTS

Admission to SMU is on a competitive and selective basis. As part of the holistic admissions process, applicants will be evaluated on the basis of the following:

• Academic grades
• Co-curricular activities
• SAT / ACT / IELTS / TOEFL (if applicable)
• Interview/essay writing for shortlisted applicants

Admissions requirements are subject to change from time to time. For full details, visit admissions.smu.edu.sg

<td></td>
</tr>
</tbody>
</table>

All applicants with international and other qualifications must submit either SAT or ACT or IELTS or TOEFL scores and their predicted/final year semester results to SMU by 1 April.

The validity of SAT/ACT scores is 5 years. For example, the validity period is from 1 March 2011 to 1 April 2016 for scores submitted by 1 April 2016.

The validity of IELTS/TOEFL scores is 2 years. For example, the validity period is from 1 March 2014 to 1 April 2016 for scores submitted by 1 April 2016.

The new SAT test format will be implemented from March 2016 onwards. SMU applicants intending to present SAT for consideration are advised to take the SAT up to and including the January 2016 test. Otherwise, you still have the option to take IELTS or TOEFL.

To avoid delays in application processing, applicants are strongly encouraged to apply to have their scores sent directly to SMU by the respective testing boards.

The SMU Institution/Destination Codes are as follows: SAT: 2861 • ACT: 5284 • TOEFL: 9014
### ADMISSION REQUIREMENTS

Admission to SMU is on a competitive and selective basis. As part of the holistic admissions process, applicants will be evaluated on the basis of the following:

- **Academic grades**
- **Co-curricular activities**
- **SAT / ACT / IELTS / TOEFL (if applicable)**
- **Interview/essay writing for shortlisted applicants**

Admissions requirements are subject to change from time to time. For full details, visit admissions.smu.edu.sg

#### Entry qualifications

<table>
<thead>
<tr>
<th>Degree</th>
<th>SAT / ACT / IELTS / TOEFL</th>
</tr>
</thead>
<tbody>
<tr>
<td>Non-Law</td>
<td>Minimum 100/300 for reading and 120/300 for writing</td>
</tr>
<tr>
<td>Law</td>
<td>Minimum 120/300 for reading and 140/300 for writing</td>
</tr>
</tbody>
</table>

### General academic requirements

**Singapore-Cambridge GCE A-Level**

- **Hi/Hi2 level curriculum**
  - Good passes in at least 3 H2 subject based subjects,
  - 1 H1 content-based subject, Project Work and
  - General Paper (GP) or Knowledge & Inquiry (KI)
  - Other acceptable combinations include:
    - 4 HO content-based subjects, Project Work and GP,
    - or 3 HO content-based subjects, Project Work and KI

**A/ALevel curriculum**

- Good passes in at least three GCE A-Level subjects,
- Project Work and General Paper

**Polytechnic Diploma**

- A good three-year full-time Diploma from Nanyang Polytechnic, Raffles Polytechnic, Republic Polytechnic, Singapore Polytechnic or Temasek Polytechnic that is acceptable for the purpose of admission.

**NUS High School Diploma**

- A good NUS High School Diploma

**International and Other Qualifications**

- Applicants are required to submit one of the following:
  - SAT or ACT or IELTS or TOEFL
  - The scores indicated below for law and non-law applicants will be minimally sufficient for applicants to make a competitive application. Meeting these requirements does not guarantee admission, as admission into SMU is on a competitive and selective basis.

- **MOE Bursary** $0.00
- **CDC/COC - University Bursary** $3,600.00
- **Total estimated Financial Aid Package (2)** $20,200.00

- **Expenses at your responsibility (1) - (2)** $183.30
GUIDANCE INFORMATION

To help applicants make their degree choices when applying for admission, we are providing the following information:

- Indicative grade profiles of applicants holding the Singapore-Cambridge GCE A-Level and Polytechnic Diplomas from Singapore who have been offered admission into SMU
- The number of places taken up in SMU

The tables below are for your reference only. It refers to the indicative grade profiles and the number of course places taken up in 2014 University Admissions Exercise. The 2015 University Admissions Exercise indicative grade profiles and the number of course places taken up will be published in December 2015/January 2016. Please visit www.admissions.smu.edu.sg for regular updates.

---

### Application procedures

Applications for admissions and scholarships open in late October and close in early April of the following year. Applications for financial aid open from February to May. For details, visit admissions.smu.edu.sg.

### Academic calendar

There is one freshman intake a year, starting in August. Classes are conducted in three academic terms spread over the year. Term 1: August to November (15 weeks) Term 2: January to April (15 weeks) Term 3*: End April to July Undergraduate programmes are conducted on a full-time basis. There are no part-time, online or distance-learning programmes.

### Transfer applicants

Applicants who have studied at a university may apply as transfer students. Transfer applicants must meet the admissions requirements set for pre-university or high-school graduates. As for the credit transfers of courses done at the university level, the Dean's office will consider such requests after the applicant receives and accepts the offer of admission into SMU.
