## WHAT YOU NEED TO KNOW

### What is an SMU scholarship?

An SMU scholarship is a recognition of your all-round achievement as a student. More importantly, it is also a validation of your potential for success in the future. Depending on the type of scholarship, it generally covers all or part of your SMU tuition fees, sponsors you on university-related overseas trips and gives you opportunities to participate in leadership and networking events.

### Do I have what you're looking for?

SMU looks for individuals who care about their community and who want to make change that matters. If you demonstrate academic excellence, have outstanding leadership qualities and have shown commitment to your community, there's a good chance you're what we're looking for!

### Am I eligible to apply?

Hundreds of scholarships are given out to incoming first-year students every year. Do read the requirements and eligibility before applying.

With so many individual scholarships on offer, there's a good chance of scoring one. Close to 40% of SMU students are covered by scholarships or financial awards.

### How many can I apply for at one time?

You will be able to list up to 5 preferred scholarships in the online application form.
