WELCOME TO OUR BEAUTIFUL CITY CAMPUS!

The SMU campus is the first of its kind – designed, integrated and constructed in the heart of a fully developed cityscape.

Purpose-built over 4.5 hectares of prime Singapore land, the SMU campus is surrounded by museums, theatres, educational institutions, art galleries, and cafes.

Being in the heart of the CBD also means our students are a stone's throw away from internships, career opportunities, and networking possibilities with industry captains.

Our campus buildings are fringed by heritage trees, with the centralized park landscape of our stunning Campus Green. The campus' porous structures engage the surroundings with open courtyards and free-flowing walkways, to integrate easily with the city's activities. This design and structure reflects the character of SMU's innovative curriculum and teaching style.

So come take a self-guided walking tour of our open campus, and experience for yourself what life could be like as an SMU student!

Come up directly from Bencoolen MRT station to view the 'fish tanks' at SMU...beautiful glass-walled study spaces that are hugely popular with students! In fact, we have 5 of such areas in this building: 3 on the Basement 1 level and 2 on the ground floor. Tip: Dhoby Ghaut MRT Station is just a 5-minute walk across the road from here.
- B. SMU Campus Green**
From the ground floor of the School of Social Sciences and School of Economics, cross the road and walk towards SMU Campus Green. An oasis in the centre of the city, this is a perfect picnic spot with gorgeous views of the National Museum of Singapore and the Singapore Art Museum. You can also bring some snacks and chill out at our stunning alfresco amphitheatre!
- C. Li Ka Shing Library**
Hop over to the Li Ka Shing Library, located just next to the Campus Green. From the 24/7 Learning Commons to individual study booths, a wide array of study spaces is available for all students. If you have time, you can take the escalator down to SMU Underground where many eateries like Koufu and Kenboru are located. You will also see students dancing or practicing in-line skating here!
- D. SMU Connexion Food Hall**
Need to grab a bite? Cross over to our open-air food hall at SMU Connexion and choose from prata, curry rice, pasta or Thai food! Or head to Onalu and try their hearty acai bowls! A games lounge, business incubator and spacious study spaces are also located on Levels 2-4, with access limited to the SMU community.
- E. SMU School of Law - Kwa Geok Choo Law Library**
Take the outdoor escalators in between SMU Connexion and the National Museum of Singapore to view the beautiful jewel-like dome of the Kwa Geok Choo Law Library. While you won't be able to enter the library without an access card, you can take a selfie in front of our domed library for an Insta-worthy shot!
